Preface

We are really very happy to present the first annual report from 2019 to 2022 of the established Shreyarth University.

It was the long-cherished dream of Mr. Shreyansbhai Shah, President of Shreyarth University, to enter the higher education domain. The basic purpose to start Shreyarth University is not merely to offer the degree, but master to the success for life.

The journey of Shreyarth University started in 2019, when Gujarat Legislative Assembly approved the official agreement and when ascent of the Governor was published in the *Gujarat Government Gazette* on the 20th August, 2019. After the Gujarat State Assembly approval, a notification was published by Education Department, Sachivalaya, Gandhinagar on 20th September, 2019 (Notification Number GH/SH/81/EPU/2019/949/KH), wherein it is mentioned that "in exercise of the powers conferred by the Subsection (2) of Section 1 of the Gujarat Private Universities (Amendment) Act, 2019 (Gujarat Act No. 19 of 2019), (hereinafter referred to as "the said act"), the Government of Gujarat hereby appoints the dated 25th September, 2019 as the date on which the said Act shall come into force. The same was communicated to University Grants Commission, as per statutory requirement.

Based on the Vision and Mission of the University, with excellent infrastructure, faculty resources and student-centric approach, the University is dreaming to make students' future bright in the field of their respective careers and expecting to contribute as a responsible citizen for the country and establish name of University and India at international level.

Due to the intervening Pandemic, the launch of the public activities was delayed. Hence, this is the first annual report of Shreyarth University covering time span from 25 September, 2019 to 31st March, 2022, portrays wide spectrum of its formal authorities, its meetings and minutes for the same, various academic, extra-curricular and co-curricular activities at the University and its constituent colleges. Notable contributions of faculty and students have also become part of the report in the ensuing pages.

Words from the President...

Shri Shreyans Shah

President, Shreyarth University

As the world is increasingly becoming a nano-reality, as we are embarking upon newer possibilities, inventions and inclusive critical thinking processes, the role of education is becoming definitive and decisive. Energetic youth require right kind of education for their growth. The same idea has been reflected in National Education Policy - 2020 and hence, the need for world class university.

With this vision, Shreyarth University strives to become one of the strongest pillars to impart education in the fields of management, computer science and applications, nursing, mass communication and journalism, performing arts and so on. I hope that, Shreyarth University will benefit the aspiring and promising students in all their endeavor and mission.

Let us collectively participate in making India shine.

Message from the Provost…

Prof. Neeraj Yajnik
Provost, Shreyarth University

Shreyarth University, through its world class university intention, attempts earnestly to scale newer possibilities, inventions and inclusive critical thinking processes through right kind of education. We aspire to address the gap between theoretical preaching and realities. By providing par excellence education, we strive to create state-of-art academic centers in the fields of management, computer science, nursing, mass communication and journalism, performing arts and many other fields. Students with zest and inclination are invited to our innovative and unique curriculum in order to turn out to be successful future professionals, star-ups and enterprise.

To fulfill this aim, the family members of the leading Gujarati newspaper "Gujarat Samachar" have established the Shreyarth Foundation and under this banner of Shreyarth Foundation, Shreyarth University has entered in the higher education domain. This philanthropic gesture tries to satisfy the societal expectations and to fulfil social obligations by setting up the Shreyarth University for Education & Research.

I am very happy that the SHREYARTH FAMILY – or TEAM SHREYARTH, to use the modern term – has not only worked very intelligently and diligently to bring the vision of the founders to a reality, but also produced an excellent report of their work. I am proud that the University has assembled a great team, and will keep marching ever onward!

I also acknowledge the support and advice given to us by the dignitaries on the Board and the various bodies and committees, but also our Advisor, Shri D. P. Chhaya without whose clear guidance and insistence on excellence the present situation would not have been possible.

Chapter 1: Introduction to Shreyarth University

1.1 Concept and Inception:

1.1.1 The Backdrop

The most renowned newspaper [and the biggest media house] of Gujarat, namely GUJARAT SAMACHAR, is a household name in Gujarat – and all over the world, wherever Gujaratis live. One major reason for this is that the promoters are in constant touch with the explicit and implicit thought processes and aspirations of the society, especially in Gujarat. This has helped them channel their social service efforts in the best possible manner, where the efforts would touch the neediest. The Shah family has been very active for over 75 years in this endeavor. Understanding the primacy of education in improvement of social conditions, the family has been running a number of charities in the education sector, apart from providing funds and other support to all who need it, wherever and whenever. A lot of their effort is channelized through SHREYARTH FOUNDATION, a Section 25 company, incorporated in 2017, with registered office in Ahmedabad.

1.1.2 Establishment of the University

Looking to the approach of the government to expand the reach and depth of higher education, by giving a great opportunity to private universities, Shreyarth Foundation decided to establish a university to bring its vision to a reality. In 2019, they sought permission from the state government to start SHREYARTH UNIVERSITY, at their large plot of land at village Jorajina Muvada, Ta. Prantij, Dist. Sabarkantha.

The government secured the necessary legislation, in the form of the Gujarat Private Universities (Amendment) Act, 2019 (Gujarat Act No. 19 of 2019), and a notification duly was published by Education Department, Schivalaya, Gandhinagar on 20th September, 2019 (Notification Number GH/SH/81/EPU/2019/949/KH), wherein it is mentioned that "in exercise of the powers conferred by the Sub Section (2) of Section 1 of the Gujarat Private Universities (Amendment) Act, 2019 (Gujarat Act No. 19 of 2019), (hereinafter referred to as "the said act"), the Government of Gujarat hereby appoints the dated 25th September, 2019 as the date on which the said Act shall come into force."

1.1.3 Starting of the University

The initial time was spent in planning for designing the proper institutional framework for the University so that it could offer the best possible world-class education to the aspiring youth, but unfortunately the COVID-19 pandemic struck the world, and the country went into a lockdown, which proved a great setback for the university's endeavor to get off to a good start.

Finally, after a year, the effects of the pandemic on the society started waning, and parents also started to lose the fear of sending their children to large gatherings – very essential for schools and colleges! However, there was a little reluctance to sending their wards to a distant place like This prompted the university to approach the government for permission to operate the University at a premises in the centre of Ahmedabad city, namely Ashram Road, at a fully functional property owned by the family, and government was gracious enough to allow this arrangement for three years.

1.1.4 The Initial Years

The Founders had gathered a great team of academicians, administrators, university governors and advisors. After detailed deliberations on the needs of the society and its immediate, medium-term and long-term requirements, the university decided to introduce three major programme streams for immediate offering:

- Bachelor of Business Administration [3 years]
- Bachelor of Computer Applications [3 years]
- Nursing:
    - Bachelor of Science (Nursing) [4 years]
    - Government Nursing and Midwifery [Certificate course; 3 years].

The admissions to the first two courses started in July 2021, and Nursing admissions, being centralized, commenced in December 2021. University could successfully obtain the essentiality certificates for Nursing courses, which are regulated by the Indian Nursing Council as per legislation.

The founders managed to create excellent infrastructure for all the courses in a very short time, along with laboratories, library and the administrative spaces.

1.1.4 The Initial Team

Dr. Subhash Brahmbhatt had assumed charge of the first Registrar of the University on 10th July, 2020. Thereafter, the University recruited the seed staff for academics and administration, and commenced the academic activiy. The first Provost, Prof. Neeraj Yajnik, assumed office on 21st November, 2021.

1.2 Logo of Shreyarth University

The Logo of Shreyarth University represents light permeated through Sun rays. The Logo symbolises expansion of life's vision. Tender branches of trees depicted here mean growing aspirations. The book symbolizes knowledge. And, finally, sacred conch shell stands for knowledge-enabled truth for success.

The motto of the university is in Sanskrit, श्रेयस्करं ज्ञानम्, and means "knowledge benefitting all" has germinated from inquisitiveness and the ultimate objective of obtaining such knowledge is to attain eternal truth which is pervading in this universe.

1.3 University Prayer

Shreyarth University starts every day with the Saraswati Vandana, which is sung by all in the campus.

Gandhiji said: "Prayers is the key of the morning and bolt of the evening". Every day in the campus of Shreyarth University, all classes start with Saraswati Vandana and the whole atmosphere becomes very pious. The lyrics of the prayer is given below:

या कुन्देन्दुतुषारहारधवला या शुभ्रवस्त्रावृता

या वीणावरदण्डमण्डितकरा या श्वेतपद्मासना।

या ब्रह्माच्युत शंकरप्रभृतिभिर्देवैः सदा वन्दिता

सा मां पातु सरस्वती भगवती निःशेषजाड्यापहा॥

Meaning of the Saraswati Prayer –

Salutations to Devi Saraswati, who is pure white like Jasmine, with the coolness of Moon, brightness of Snow and shine like the garland of Pearls; and who is covered with pure white garments, whose hands are adorned with Veena (a stringed musical instrument) and the boon-giving staff; and who is seated on pure white Lotus, who is always adored by Lord Brahma, Lord Acyuta (Lord Vishnu), Lord Shankara and other Devas, O Goddess Saraswati, please protect me and remove my ignorance completely.

Nursing Laboratories

Shreyarth University has very rich Nursing Laboratory, because in the programme of Nursing, labs provide a realistic simulation of a patient care setting. It's normal for nursing students to feel overwhelmed during their labs at the beginning, only to find confidence in their abilities toward the end. So, to develop this level of confidence and offer a realistic simulation, Shreyarth College of Nursing has developed 4 ultra-modern labs, namely: Material and Child Health Nursing Lab, Nursing Foundation Lab, Nutrition Lab and Pre-Clinical Science Lab. Let us show some glimpses:
